22  
23 **DEFENDANTS' CASE MANAGEMENT  
CONFERENCE STATEMENT**

24  
25 Defendants Chabot Las-Positas Community College District, Kathryn Linzmeyer,  
26 Melinda Matsuda, Dr. Robert Carlson, Lorenzo Legaspi, Anita Morris, and Sharon Trethan  
27 ("Defendants") submit the following Case Management Statement pursuant to Northern  
28 District of California Local Rule 16-9. Plaintiff Richard Ferreira ("Plaintiff") is acting *in propria  
persona* in this action. Despite that fact, Defendants have made numerous attempts over the  
past several weeks, both by telephone and in writing, to contact Plaintiff directly to meet and  
confer as mandated by the Court's May 1, 2008 Order Setting Initial Case Management  
Conference and ADR Deadlines, and to confer in order to submit a Joint Case Management

1 Statement, but Plaintiff did not respond to any of Defendants' correspondence or telephonic  
2 messages. Accordingly, Defendants submit this Case Management Statement separately as  
3 the rules permit. (Local Civil Rule 16-9(a)).

4 **1. JURISDICTION AND SERVICE**

5 This Court has jurisdiction of this action on federal question grounds due to the fact  
6 that Plaintiff's Complaint expressly alleges three independent and separate claims arising  
7 solely under federal law in his Sixth Cause of Action, his Seventh Cause of Action, and his  
8 Eighth Cause of Action. Plaintiff alleges violations of 42 USC §1983, 42 USC §1985(3), the  
9 first, fourth, fifth, ninth, thirteenth and fourteenth amendments to the U.S. Constitution, and  
10 Title IX, Education Amendments of 1972, 20 U.S.C. §§1681, et seq.

11 **2. FACTS**

12 Plaintiff worked at Chabot College (the "College") in a temporary capacity from  
13 approximately April 1999 through July 2000, at which time he was hired by the College as a  
14 Student Services Specialist II, working in the College's Financial Aid Office. Concerns  
15 regarding Plaintiff's job performance at the College arose within the first year of his  
16 employment, and were expressed to Plaintiff in detail both in writing and verbally by Plaintiff's  
17 superiors. From 2002 through 2005, numerous concerns regarding Plaintiff's conduct and  
18 performance at work were observed by Plaintiff's supervisors and expressed to Plaintiff  
19 verbally and in writing. In September 2005, Plaintiff was placed on paid administrative leave  
20 due to his poor job performance. In October 2005, a Notice of Intent to Terminate Plaintiff's  
21 employment at the College was issued. Following a *Skelly* hearing, Plaintiff's employment  
22 with the College was terminated. Plaintiff filed this lawsuit in Alameda County Superior Court  
23 in July of 2007, but did not serve his Complaint on any Defendant until April 2008. As noted  
24 above, due to the fact that several of Plaintiff's claims arise under federal law, Defendants  
25 petitioned to have this action removed to this Court.

26 As also noted above, Plaintiff has failed to respond to Defendants' efforts to meet and  
27 confer, and as this case is in the early stages of litigation, discovery has not yet been  
28 conducted. At this point, however, the principal factual disputes that Defendants anticipate

1 are as follows:

2 **Factual Disputes:**

3 Whether Plaintiff performed his job duties as required at Chabot College.  
4 Whether Plaintiff was discharged for failing to adequately perform his job.  
5 Whether Plaintiff suffered any illegal harassment while employed at Chabot College.  
6 Whether Plaintiff complained about sexual harassment during his employment.  
7 Whether Plaintiff has a disability under applicable laws.

8 Whether Plaintiff requested "reasonable" accommodations for his alleged disability.  
9 Whether Plaintiff treated his co-workers inappropriately.

10 Whether Plaintiff was discharged or disciplined for an improper motive.

11 Whether Plaintiff filed any complaints with the California Department of Fair  
12 Employment and Housing or the Equal Employment Opportunity Commission against any of  
13 the Defendants.

14 Whether Defendants took steps to prevent alleged discrimination.

15 Whether Defendants improperly denied Plaintiff's request(s) for transfer(s).

16 Whether Defendants required Plaintiff to disclose his alleged disability.

17 Whether Defendants prevented Plaintiff from obtaining and presenting appropriate  
18 evidence at any time, including in connection with Plaintiff's *Skelly* hearing.

19 Whether Defendants unreasonably delayed Plaintiff's *Skelly* hearing.

20 Whether the conduct alleged by Defendants was part of a continuous course of  
21 conduct.

22 **3. LEGAL ISSUES**

23 Plaintiff's unverified complaint asserts causes of action against Defendants for "Sexual  
24 Orientation Discrimination, Harassment & Retaliation", "Failure to Provide Reasonable  
25 Accommodations for Disabilities", "Disability Discrimination, Harassment & Retaliation", "Sex  
26 Discrimination, Harassment, Retaliation", "Wrongful Termination-Due Process and Equal  
27 Protection", "Civil Rights Claim under 42 USC § 1983", "Civil Rights Claim under 42 Usc (sic)  
28 § 1985(3)" and "Violation of Title IX (20 USC 1681 et seq.)".

1 Defendants deny all of the allegations in Plaintiff's complaint, including that they  
2 discriminated against Plaintiff on the basis of his gender, sexual orientation or his mental  
3 disability. Defendants deny that Plaintiff was sexually harassed in the course of his  
4 employment, and/or that Defendants failed to take any necessary steps to prevent that  
5 alleged harassment from occurring. Defendants further deny that they violated Plaintiff's civil  
6 rights, and/or that they violated any state or federal statute, including CA Govt. Code §§  
7 12940 et seq, the California Constitution, 42 USC § 1983, 42 USC § 1985, the 1<sup>st</sup>, 4<sup>th</sup>, 5<sup>th</sup>, 9<sup>th</sup>,  
8 13<sup>th</sup> or 14<sup>th</sup> Amendments to the U.S. Constitution, or Title IX of the Education Amendments of  
9 1972. Defendants also deny that they wrongfully terminated Plaintiff, and that Plaintiff's  
10 termination was for any improper reason. Instead, Defendants maintain that Plaintiff was  
11 terminated for legitimate, nondiscriminatory business reasons and because of Plaintiff's  
12 markedly poor job performance and conduct. Defendants further maintain that Plaintiff's  
13 action should be barred because Plaintiff failed to exhaust his administrative and/or judicial  
14 remedies, and failed to comply with the claim provisions of the California Government Code  
15 with respect to the timely presentation of a governmental claim.

16 At this point, the principal disputed points of law that Defendants anticipate are as  
17 follows:

18 **Disputed Points of Law:**

19 Whether Defendants discriminated against Plaintiff on any basis.

20 Whether Defendants retaliated against Plaintiff for any reason.

21 Whether Defendants violated the California or United States Constitutions or  
22 Amendments thereto in their treatment of Plaintiff.

23 Whether Defendants' treatment of Plaintiff violated any statute, including without  
24 limitation, CA Govt. Code § 12940 et seq., 42 USC § 1983, 42 USC § 1985, or Title IX of the  
25 Education Amendments of 1972.

26 Whether Defendants violated any of Plaintiff's civil rights.

27 Whether Defendants reasons for terminating Plaintiff were a pretext for discrimination.

28 Whether Plaintiff was damaged by any conduct of Defendants.

1        Whether any alleged conduct of Defendants was severe and pervasive.

2        Whether the alleged discrimination, harassment and/or retaliation constituted a  
3 continuing violation.

4        Whether Plaintiff is entitled to exemplary and punitive damages against Defendants.

5        Whether plaintiff received all procedural and/or substantive due process rights during  
6 his *Skelly* hearing and any appeals therefrom.

7        Whether Plaintiff exhausted his administrative and judicial remedies prior to bringing  
8 this action.

9        Whether this action is barred by the doctrines of res judicata and/or collateral estoppel.

10       Whether Plaintiff's claims against Defendants are barred due to Plaintiff's failure to  
11 comply with claim filing provisions of the California Government Code.

12       Whether Defendants are immune from the allegations and causes of action contained  
13 within Plaintiff's Complaint.

14       **4. MOTIONS**

15       There are no motions currently pending in this action. Defendants anticipate filing  
16 dispositive motions in this matter, including motions for judgment on the pleadings, summary  
17 judgment and/or summary adjudication.

18       **5. AMENDMENT OF PLEADINGS**

19       At this time, Defendants do not anticipate amending their pleadings or adding  
20 additional parties. Plaintiff's Complaint was filed in Alameda County Superior Court in July  
21 2007, served on Defendant Chabot-Las Positas Community College District in or around April  
22 2008, and removed to this Court in May 2008. In light of the foregoing, it is Defendants'  
23 position that Plaintiff has already been accorded sufficient time to amend his Complaint.

24       **6. EVIDENCE PRESERVATION**

25       Defendants have taken all reasonable steps to comply with FRCP 26, and Defendant  
26 Chabot-Las Positas Community College District is taking steps to notify all named defendants  
27 of Plaintiff's lawsuit and to locate and identify all potential witnesses. Defendants, and each  
28 of them, have gathered all relevant evidence and continue to preserve all documents in their

1 possession regarding Richard Ferreira and his Chabot College employment and the  
2 termination of that employment.

3       **7. DISCLOSURES**

4       As set forth above, because Plaintiff is acting *in propria persona* in this action,  
5 Defendants have made several direct attempts to reach Plaintiff by telephone and in writing  
6 (by registered mail) to meet and confer regarding initial disclosures, early settlement, ADR  
7 process selection and a discovery plan as mandated by the Court's May 1, 2008 Order  
8 Setting Initial Case Management Conference and ADR Deadlines. Plaintiff has completely  
9 failed to respond to any of Defendants' attempts to meet and confer, and has not responded  
10 to any of Defendants' correspondence.

11       Regardless of whether Plaintiff responds to Defendants' correspondence, Defendants  
12 will serve Plaintiff with their Initial Disclosure on or before August 4, 2008, which will set forth  
13 (1) a list of those witnesses currently known to Defendants that Defendants believe may have  
14 discoverable information to support their defenses, and (2) a description by category of those  
15 documents that Defendants have in their possession, custody or control and may use to  
16 support their defenses.

17       **8. DISCOVERY**

18       A discovery plan has not yet been set by the Court in this matter. Furthermore, as  
19 noted above, Defendants have not been able to meet and confer with Plaintiff as required by  
20 FRCP 26(f) due to the fact that Plaintiff has failed to respond to Defendants' efforts to reach  
21 him regarding such requirement.

22       In light of the foregoing, Defendants unilaterally present their views and proposals on  
23 the following issues as required by FRCP 26(f):

24       **a. Changes in Initial Disclosure Requirements**

25       Defendants do not propose any change to the initial disclosure requirements set forth  
26 in FRCP 26(a).

27       //

28       //

1                   **b. Subjects on Which Discovery May Be Needed**

2                   Defendants anticipate that discovery may be needed on subjects including, but not  
3 limited to:

- 4                   • the basis of Plaintiff's claims of gender, sexual orientation and disability  
5                   discrimination and any relevant documentation and/or witnesses;
- 6                   • the basis of Plaintiff's claims of retaliation for complaints regarding gender,  
7                   sexual orientation and disability discrimination and/or harassment and any  
8                   relevant documentation and/or witnesses;
- 9                   • the basis of Plaintiff's complaints of sexual harassment, alleged witnesses and  
10                  documentation pertaining to alleged harassment;
- 11                  • the alleged complaints and/or grievances made by Plaintiff to Defendants;
- 12                  • the claims allegedly filed by Plaintiff with the Department of Fair Employment  
13                  and Housing;
- 14                  • Plaintiff's alleged disability, requests for accommodation, and fitness for duty;
- 15                  • Plaintiff's job performance and conduct at Chabot College; and
- 16                  • the criticism, performance evaluations and improvement plans and other  
17                  discipline received by Plaintiff.

18                  Defendants propose that discovery be completed by **June 15, 2009**.

19                  Defendants do not propose that discovery be completed in phases or limited to or  
20 focused on particular issues.

21                   **c. Issues Regarding Discovery of Electronically Stored Information**

22                  At this time, Defendants do not anticipate any issues pertaining to electronically stored  
23 information.

24                   **d. Issues Regarding Claims of Privilege or Trial-Preparation Materials**

25                  Defendants propose that any materials protected under the doctrines of attorney-client  
26 privilege or attorney work product be identified by the party responding to the discovery  
27 request in a privilege log.

28                  //

1       e.     **Changes to Discovery Rules**

2       Defendants do not otherwise propose any change to the discovery rules set forth  
3 within the Federal Rules of Civil Procedure and the Local Rules of this Court.

4       f.     **Other Orders**

5       At this time, Defendants do not propose that the Court issue orders pursuant to FRCP  
6 26(c) or FRCP 16(b).

7       9.     **CLASS ACTIONS**

8       This matter is not a class action.

9       10.    **RELATED CASES**

10      To Defendants' knowledge, there are no related cases pending before this Court or  
11 before another judge of this Court or any other court or administrative body.

12      11.    **RELIEF**

13      Defendants propose that in the event that any liability on Defendants' part is found in  
14 this action, damages may be calculated as follows: Defendants assume that if Plaintiff could  
15 prove liability, damages, if any, will be based on actual wage loss subject to reduction for  
16 plaintiff's failure to mitigate. As discovery is continuing and Defendants have not received  
17 any information from Plaintiff, all such discussions are premature at this time.

18      12.    **SETTLEMENT AND ADR**

19      The parties have not engaged in any settlement or ADR efforts to this date.  
20 Furthermore, due to the fact that Plaintiff has failed to respond to Defendants'  
21 correspondence, the parties have not been able to meet and confer to attempt to agree on an  
22 ADR process. Despite that fact, Defendants have filed a Notice of Need for ADR Telephone  
23 Conference.

24      Defendants anticipate that they will need to conduct discovery, including without  
25 limitation the deposition of Plaintiff and other key witnesses, and have Plaintiff undergo a  
26 mental examination, prior to negotiating a resolution of this matter by any alternative means.

27      //

28      //

1           **13. CONSENT TO MAGISTRATE JUDGE FOR ALL PURPOSES**

2           Defendants will **not** consent to have a magistrate judge conduct all further  
3 proceedings including trial and entry of judgment.

4           **14. OTHER REFERENCES**

5           Defendants do not believe that this case is suitable for reference to binding arbitration,  
6 a special master, or the Judicial Panel on Multidistrict Litigation.

7           **15. NARROWING OF ISSUES**

8           Due to the fact that this case is in the early stages of litigation, at this time, Defendants  
9 do not have suggestions as to issues that can be narrowed by agreement or by motion, or as  
10 to how to expedite the presentation of evidence at trial. At this time, Defendants do not  
11 request the bifurcation of any issues, claims or defenses.

12           **16. EXPEDITED SCHEDULE**

13           Defendants do not believe that this is the type of case that can be handled on an  
14 expedited basis.

15           **17. SCHEDULING**

16           Defendants propose the following dates:

17           Deadline for designation of experts:                   May 15, 2009

18           Discovery cutoff:   June 15, 2009

19           Deadline for hearing of dispositive motions:     June 15, 2009

20           Trial:   July 15, 2009

21           **18. TRIAL**

22           Defendants request a jury trial of this matter, and estimate that trial will take  
23 approximately 10 court days.

24           **19. DISCLOSURE OF NON-PARTY INTERESTED ENTITIES OR PERSONS**

25           Due to the fact that Defendants are governmental entities or current or former  
26 employees of a governmental entity served in their capacity as employees of such entity, they  
27 are exempt from the disclosure requirements set forth in Civil Local Rule 3-16. (See Civil  
28 Local Rule 3-16(a).)

1           **20. OTHER MATTERS**

2           At this point, Defendants are not aware of any matters that may facilitate the just,  
3           speedy and inexpensive disposition of this matter.
